Country: Republic of Suriname

Project: Labor Market Alignment with new Industries

Sector: Social

Abstract: Hiring of Training Providers for a Public Training for

Employment (TFE) Program in Suriname

Loan/Credit/Grant No.: (SU-L1061) Contract/Bid No.: SU-L1061-P-00082 Deadline: Tuesday 20th of May 2025

This international bidding notice was announced under the General Procurement notice advertised for this project published in Development Business Online, edition No. IDB SU-L1061 of 07-04-2025.

The Government of Suriname has received financing from the Inter-American Development Bank (IDB), and it intends to apply part of the proceeds to payments under the project Labor market Alignment to New Industries, for promoting the employability for jobseekers in Suriname.

The Ministry of Labor Employment Opportunity and Youth Affairs now invites sealed bids from eligible bidders to offer training for employment opportunities. These bidders will be contracted to train the program's participants in prioritized job profiles. These training opportunities should be available for participants in all districts of Suriname, ensuring that access to skills development opportunities are not limited to Paramaribo. The following 12 occupations have been carefully selected in collaboration with the private sector:
