

VACANCY ANNOUNCEMENT

The Government of Suriname (GOS) is currently implementing a new project titled "Labor Market Alignment with New Industries" across the country.

The main objective of this project, which is being financed by the Inter-American Development Bank (IDB) is to increase employability of all job seekers through the implementation of multi-connected and strategic activities such as training for employment, mediation services for employment opportunities, technological improvements, and capacity strengthening among others.

The Ministry of Labour, Employment Opportunity, and Youth Affairs (MoL) is the Program Executing Agency (PEA) of these 5 years national program and therefore seeks to increase its capacity to effectively implement the program. MoL has already established the Program Implementation Unit (PIU) that is responsible for the overall implementation of the program. Therefore, MoL is currently seeking qualified and experienced consultants for the following positions to join the team.

1. Procurement Assistant (PA) within the PIU – Full Time Consultancy

2. Senior Labour Market Analyst (SLMA) Within the Labour Market Department – Full Time Consultancy

These consultancies are open to Suriname nationals and legal residents of Suriname who are citizens of the IDB 48 member countries.

The Terms of Reference (ToR) can be viewed and downloaded from the MOL's website:
