## REQUEST FOR EXPRESSIONS OF INTEREST

### Individual Consultant to provide design services for the construction of a pesticide storage facility at LVV Headquarters in Paramaribo

**Institution:** Ministry of Agriculture, Animal Husbandry and Fisheries (LVV)

**Country:** Suriname

**Project:** SU-L1020 Agricultural Competitiveness Program

**Sector:** Agricultural Sector

**Abstract:** The call for expressions of interest has the explicit purpose of compiling a prequalification list of Individual Consultants to provide design services for the construction of a pesticide storage facility at LVV Headquarters in Paramaribo.

**Loan No.:** 4097/OC-SU

**Deadline:** June 26, 2026

The Government of Suriname has received financing from the Inter-American Development Bank (IDB), toward the cost of the Agricultural Competitiveness Program and intends to apply part of the proceeds for consulting services.

#### Objective of the Consultancy

The objective of this consultancy is to prepare the complete design and tender documentation for the construction of a pesticide storage and handling facility at the LVV Headquarters, with an estimated floor area of approximately 60–70 m<sup>2</sup>, ensuring that the proposed design incorporates appropriate environmental, social, health and safety (ESHS) measures and complies with applicable FAO guidelines and national regulations.

The estimated duration of the assignment is four (4) months from contract effectiveness, excluding review periods by LVV. The expected start date is August 2026.

The Ministry of Agriculture, Animal Husbandry and Fisheries (LVV), through the Inter-American Institute for Cooperation on Agriculture (IICA) now invites eligible Individual Consultants (“Consultants”) to indicate their interest in providing the services. Consultants should provide information demonstrating that they have the required qualifications to perform the Services.

#### Qualification:

##### Education

- Bachelor’s degree in architecture, Civil Engineering, or related field

##### Experience

- Minimum of seven (7) years of professional experience in building design;
- Experience in at least three (3) building design assignments;
- Experience in at least one (1) storage, agrochemical, industrial, or hazardous-material related facility;
- Experience preparing drawings, technical specifications, and BOQs for construction works.

##### Competencies

- Familiarity with FAO pesticide storage guidelines;
- Knowledge of environmental, occupational health and safety, and hazardous-material storage requirements.

The Consultant may associate with specialist support as necessary to fulfil the requirements of the assignment.

**Interested Consultants should provide their CV and information demonstrating that they have the required qualification listed above to perform the Services.**

Consultants will be selected in accordance with the procedures for **Selection of Individual Consultants** set out in the Inter-American Development Bank: [Policies for the Selection and Contracting of Consultants financed by the Inter-American Development Bank](#) GN-2350-15 and is open to all eligible bidders as defined in the policies.

Interested individuals can submit an email to [procurement.idblvv@iica.int](mailto:procurement.idblvv@iica.int) to request the Terms of Reference (TOR) for the assignment.

Further information can be obtained at the address below during office hours **08:00 to 15:00** hours (Monday to Friday).

Expressions of interest (including Cover letter, CV, copy of degrees and other relevant documentation) must be delivered in a written form to the address below (in person, or by mail, or by e-mail) by 2:00pm on **June 26, 2026**.

**NO COST PROPOSAL SHOULD BE SUBMITTED IN RESPONSE TO THIS EOI.**
